Luxury is a love of quality
Luxury has many faces. Quality is the particular aspect that we have chosen for the PUKAR COLLECTION. Our valuable products are crafted in Nepal. Their production is based on traditional processes and carried out by people who master their craft at the highest level.
Quality for us also means responsibility towards the people behind the products, their culture and the nature around them. This respect is not simply one of many values, but a driving force of our company and the core of our philosophy. By choosing a skillfully produced pashmina scarf, you will contribute to providing people in Nepal with better prospects for the future.
Enjoy luxury in its finest form
Welcome to the PUKAR COLLECTION.

# Art from Rebecca Frick

## Art from Rebecca Frick

“I believe in my emotional power: I do what I can – I give what I have.  My doubt is my passion and my passion is my task”.

Rebecca, who worked for several years under the pseudonym of „Juliet King“, decided 7 years ago to work under her label „Fricky Art by Rebecca Frick“.

Rebecca has been helping School 4 Life as a volunteer and sponsoring the association through her Art.
